

BECOME A WE MEMBER TODAY!

Why WE? WE is the world's largest, multi-disciplinary global community of practice focused on Workplace innovation. WE are committed to the evolution, exploration and transformation of the workplace.

“Changing the world, one workplace at a time.”

WE Membership Benefits Include:

WE:binars

Every month WE delivers stimulating webinars on the most current topics pertaining to workplace, conducted by leading experts. Topics have included: Neuroscience and Space, Well-Being & the Workplace, The ROI of Workplace Change, Co-working and the Shared Economy, Creating a Truly Sustainable Workplace, and many more.

WE:Brief

The WE:Brief is a member favorite. WE curators review the latest workplace research and published content then share the key findings in an executive summary format to keep you in the know.

WE:Learn

WE launched a Workplace Management Program (WMP) with a complete learning curriculum. The program is designed to develop skills, strengthen alignment to business goals and optimize the value of your work.

WE:Tour

Along with WE events, we tour leading-edge workplaces like Coca Cola, Nike, William Blair and McDonald's. Best of all, we get to learn about their workplace journey from the people who led the way.

WE:Hub

There are over two dozen WE:Hubs around the world. Hubs hold local events to expand the global conversation and provide WE members with an extended community of cross-disciplinary colleagues.

WE:Connect

WE share great content and keep the conversation going with our LinkedIn and Twitter communities.

WE:Events

- IFMA: World Workplace (NA, Europe, Asia Pacific), Facility Fusion
- Local WE Hub activities throughout the world
- Friends of WE Events: (Work Design Magazine, WORKTECH, DisruptHR, RICS, and more)

Friends of WE
