

# JOIN THE **'WE'** MOVEMENT!

Be a part of the conversation

The **Workplace Evolutionaries (WE)** are a global community of professionals who are committed to:

- **Positively Impacting Lives** Through Workplace Innovation: experience, health & wellness, sustainable practices and technology
- **Increasing Thought Leadership** Through Education and Knowledge Sharing
- **Building Your Network** (Personal and Professional)

...all of which is underpinned by greater  
**social responsibility**

**WE** do this through a range of remarkable programs and activities:

- WE: Brief** – curated summary of the latest Workplace research
- WE: binars** – knowledge shared by global thought leaders relating to the most current WP topics
- WE: Learn** – Workplace Strategy and Leadership Certificate Program
- WE: Events** – networking presentations and activities at global conferences
- WE: HUB** – networking presentations & activities at a local, regional level
